THE STORY

As the ultimate roost for relaxing, this classic Freedom sofa boasts pillow-top arms – just the place to put up your feet and rest your head. The high-density foam and fibre-filled seat cushions are suspended on a solid timber frame by webbing, providing extra comfort in the seat. There is an extensive variety of seating options, too. Choose from recliners and sofas, modulars and ottomans, or start your collection with the popular two or three-seater sofa.

MATERIALS

Solid timber frame with timber composites. Foam core seat and back with feather and fibre blend wrap. Webbed suspension which stays resilient so that seats remain supportive over time.
