## Sofa range

### THE STORY

Taking its cues from mid-century Danish design, the clean, angular lines of our Copenhagen sofa provide an eye-catching contrast to the plump seats and soft, rounded bolster cushions. Classic button tufting and smart piping provide an elegantly tailored aesthetic while the open base lightens its overall profile.

### MATERIALS

Kiln dried solid timber frame with structural composites. Solid rubberwood legs. Foam core seat with feather and fibre blend topper. Loose feather and fibre blend back cushion. Highly resilient webbed suspension. Button-back detail provides a tailored aesthetic.
