

BARRET

Sofa range

THE STORY

The ever-popular classic club style of our Barret range now also comes in fabric. This timeless design transforms when paired with more traditional styling or a more contemporary look, giving it a versatility that can change with you as you update your home over years. Generous seating, a high back for extra support, and cloud-like cushioning gives it a sink-in, loungy feeling that we've made sure will last, using zig-zag steel spring suspension, a solid frame, and high density cushion fill. Available in 1 luxurious full grain leather option or 3 of our new soft-touch linen-blend fabrics.

MATERIALS

Zig-zag steel spring suspension for consistent comfort and long term support.
Kiln dried solid timber frame with structural composites.
High density foam fibre blend seats and timber legs.

FABRICS & LEATHERS
