Care Information

Fabric

Periodically check and re-tighten any fasteners. Avoid direct sunlight. Treat spills and stains as soon as they occur. Gently scrape any soil or mop any liquid from the surface of the fabric, apply proprietary cleaning agents strictly according to instruction to remove the residue of the spill. Do not saturate the fabric or interior with water or other cleaning liquids. May be spot cleaned with dry cleaning solvent.

Pilling can occur occasionally as a result of normal daily wear and should not be considered as a fault. Fibre pills can be removed by a battery operated pilling tool available from most haberdashery stores.
