Safety Advice

We strongly recommend all Day products be permanently fixed to the wall or other suitable surfaces. This product has been fitted with brackets to prevent furniture tipping. Screws will need to be purchased separately. Please seek professional advice if you are unsure of how to affix this product to the wall or suitable surface.

Materials & Finish

- Natural Oak Veneer
- Timber materials are FSC™ certified and specially selected for their unique and natural variations
- A clear UV lacquer provides maximum strength and low-maintenance surface protection
- Recycled timber used in rear chipboard

Assembly & Installation

Assembly and installation required. Model 2 consists of 15 boxes or components. Please note: The Day range cannot be free-standing. Every unit is designed to attach the walls and includes fittings. Please purchase screws for the wall fittings separately at your local hardware store.
