- May be tumble dried up to 40C
- Do not bleach
- Do not iron

- Do not use solvents

Your Guardsman Mattress Protector including product warranty protects against permanent spots and stains. It does not cover general soiling.

Regular cleaning of the Mattress Protector will remove general soiling and help extend the life of the Mattress.

The Secret To Stain Removal

Any spill, stains or spot is like cement in the way it works – the longer you leave it the harder it gets!

- Act immediately on the accidental spill for easy removal.
- Within one hour the stain has had a chance to sink and settle into the fabric.
- By the following day the stain is set in and will take a great deal of effort, not to mention cleaning chemicals, to remove.

The key to stain removal is to act immediately!
